

# DON'T STOP

## SCARLETT

(she)

I was inspired by the idea of a girl running on the track. The track shows me that I can run at my own pace. This motivated me that I can run in any direction to follow my dream.

My painting is about a girl running on a track. She is wearing a red shirt with the number 15. There is a sunrise with the colors of pink, yellow, blue and purple. The meaning behind my painting is to never give up your dream.
