THE THOUGHTS THAT LIE BEHIND THE MIRROR

DEVAN

(she/her/they)

I was inspired by my struggles with eating and body image. Magnify Voices brings light to stigmatized events that many people experience. Being part of this event allows us to share our experiences and lets others know that they are not alone in whatever they might be going through.

My creation is a mixed media work on canvas. It depicts how I've felt with myself as a person while battling an eating disorder. Its meaning is to show the complicated emotions tied into it as a whole. When words fail us, it can be easier to find a voice through visuals.
